

Control your exposure to risk and help minimize your insurance expenditures with LossNet Services.

LossNet is a service provided by Marrs Maddocks and Associates to help our customers manage risk, improve safety and lower their total cost of insurance. We offer resources from our partner carriers to help control your exposure to loss by providing safety training information and risk management practices.

We provide a wealth of information on the following subjects:

1. Safety Training
2. Risk Management Techniques
3. Minimizing Insurance Costs

Included in this packet is a comprehensive list of documents we are happy to provide our clients. Please check the boxes you are interested in and we will provide this information to you.

All data provided through the LossNet service are for information purposes only. This information is not intended to be a substitute for individual counsel or advice on issues discussed within. Readers seeking resolution of specific legal issues or business concerns related to the captioned topic should consult their insurance agent at Marrs Maddocks and Associates or attorney.
